

Gender | How Does the South Caucasus Compare?

CRRC's report "How Does the South Caucasus Compare?" aims to put attitudes towards gender in Armenia, Azerbaijan and Georgia, the three countries of the South Caucasus region, into a global context. Comparing data from the Pew Research Center's Global Attitudes Project 2010 with that of the CRRC's Caucasus Barometer (CB), the report shows that on several crucial questions of gender equality, there are significant cleavages between the South Caucasus neighbors.
