Good News!

Khazar University Career Development Center is opening its services to the non-Khazar audience. Now everyone can register to participate in workshops or trainings. This opportunity is made available in response to popular demand.

Ganja Regional Forum

Khazar University Career Center is proud to present the Ganja Regional Forum with the partnership of Euro-Atlantic Center in May 2017. The Career Center brings you this great opportunity by organizing a wonderful weekend of inspiring lectures, experience sharing and consultations with college students in order to help them build successful careers. Khazar University students will share their success stories.
